PLAYER AND TEAM ELIGIBILITY

The Be Brave tournament is a competitive tournament open to all teams as indicated on the Application to Host approval form, comprised of properly registered youth players (as defined by the rules of the affiliated organization) from all Federation Organizations (USYSA, US Club, Super-Y, etc.) in all age groups listed in the Tournament Rules, provided such teams are in good standing with its youth association. It shall be the responsibility of each State Association or Federation Affiliate to certify the eligibility of its competing teams to provide such teams with a certified copy of the roster. Permission to travel and proof of insurance is required by the granting authority. The Tournament Committee reserves the right to consolidate or eliminate age groups where insufficient numbers of teams apply to that age group. Multiple divisions within an age group are not guaranteed. Placement of teams within age groups with multiple divisions is final.

AGE DETERMINATION: the player’s playing age is determined by the following USYSA guidelines for 2018/2019. Ages U13 & U14 must identify 18 players to the referee prior to the start of the game.

Age Division	Birth Year Range	Maximum Roster	Guest Player Limit*
Under 14 Boys & Girls Division	2005	22	4
Under 13 Boys & Girls Division	2006	22	4
Under 12 Boys & Girls Division	2007	16	4
Under 11 Boys & Girls Division	2008	16	4

*Teams may only have guest players from the same Federation Organization and all players must be legally registered through their respective Federation Organization. (i.e.: USYSA teams can only have players with USYSA passes; US Club teams may only have players with US Club passes, etc.) Players may play and be rostered to only one (1) team during the Tournament. No switching of teams will be allowed and players will be considered tournament-bound to the first team with which the player participates. If a player illegally participates with more than one (1) team in the Tournament, games for any team(s) that the player participates with other than the first team that played will be recorded as a 3-0 forfeit in the opponent’s favor

All teams must have current, valid player and coaches passes from their authorizing Federation Organization, for everyone who will be participating at the event. Passes must have a verified team code and player’s date of birth, have current photo attached and be laminated.

CONCUSSIONS

Pursuant to Florida statues (FS 943.0438) Florida in 2012 enacted a very stringent Head Injury and Concussion Law. If the referee or assistant referee believes that, in his or her opinion, a player has suffered a head injury or possible concussion, the match must be stopped IMMEDIATELY. The injured player, if able to leave the field on their own, must be escorted to their coach and the coach must be told that the player cannot return for the duration of the match. If a trainer is brought onto the field because the player is incapacitated, the referee must still notify the coach that the player cannot return to the game. It is the responsibility of the coach and the player's parent(s) or legal guardian(s) to seek medical attention. The player may not resume participation until he or she has been cleared by a medical doctor. The referee crew must ensure, that UNDER NO CIRCUMSTANCES or due to the appeal from any coaching staff that the player is allowed to return to the game.

NON-HEADING RULES– This applies to all team in or out of state.

In conjunction with US Soccer and US Youth Soccer, Florida Youth Soccer Association will be instituting a heading ban for players age 10 and younger.

In accordance with recent US Soccer recommendations on concussion risk management:

FYSA has eliminated heading in matches for player's age 10-years-old and younger (2008-11U and younger), per the new calendar year registration guidelines. 2007-12U teams will participate in non-heading divisions until December 31, 2018 and then heading divisions shall be permitted Jan 1, 2019.

The guidelines apply to leagues, tournaments, and other FYSA sanctioned events that include 2008-11U and younger age group teams (2007-12U in 2018) heading will not be permitted.

Leagues and tournaments shall allow for 2007-12U heading age divisions after January 1, 2019. Leagues and tournaments will be permitted to form 2007/2008-12U non-heading divisions. (see playing up guidelines)

Teams that opt for 2007-2008-12U non-heading divisions shall only participate in non-heading divisions in league play, tournaments and all events. Sanctions will be made against teams that do not follow this guideline.

GAME SCHEDULE

Teams will be seeded. Field and time assignments will be based on availability. Teams will play no more than two (2) games on any one day and will not play back to back matches.

PRE-GAME PROCEDURE

The Tournament Officials shall conduct all credential checks on tournament day, one hour prior to game start, at the Field Marshall table.

Each team's coach/manager will bring the approved roster along with the valid player and coaches passes for each player, approved guest player documents and travel authorization as required. Medical release will not be checked – it is mandatory that all teams must have the medical releases for each player on hand at each game.

The coach or manager of each team will give the player and coaches passes to the check-in person (Tournament Official, Referee or Assistant Referee). The check-in person will verify the identity of each player and confirm that all players are on the game report. All passes will be held by the check-in person during the game. A player who arrives late at the playing field after the pre-game procedure may enter the game once the game's official(s) verify the player is eligible and with the permission of the center referee.

Each coach must have a valid coach's pass. If a coach is ejected, an assistant may manage the team. If the assistant is also ejected, or if there is no assistant, the game will be forfeited. In no case will the team be allowed to participate without a properly registered coach or assistant coach.

Only at the pre-game procedure may a player be challenged by an opposing manager/coach. Challenged player(s) will be noted by the Referee on the game report and will be allowed to participate in the game (if said player has been certified as eligible by the **Be Brave Tournament** Credentials Committee). A late arriving player may be challenged at the time he/she is allowed to participate by the Referee.

CONDUCT AND DISCIPLINE

It shall be solely the team's responsibility to determine the status of its players. Any suspension from a tournament, local league, etc. is the responsibility of the team to notify the Tournament Director of this suspension at the time of the player's check in.

Per FYSA Rule 504.1 - Red Card suspension or send off suspensions can only be served with the team with which the suspension was earned in games played by their team. Players may not serve suspensions as "guest players."

Suspended Coaches may be located on the spectator side of the field but may not coach or communicate with the team in any manner; suspended players may sit with the team but may not be in uniform.

Depending on the severity of the unacceptable conduct, the Discipline Committee may recommend the suspension of up to the duration of the tournament with further disciplinary action by the appropriate National and State Association, Federation or any other USSF affiliated organization. A complete report will be sent to the FYSA for Review & Discipline Committee for forwarding to the appropriate State and National Association within 72 hours of tournament completion.

DETERMINATION OF GROUP WINNERS

In group play, there will be no overtime games. Standings in a group will be determined by:

Game Points: 3 points for a Win, 1 point for a Tie, 0 points for a Loss.

If two teams are tied at the conclusion of group play:

Starts with tie breaker number 1 and proceed through each level, as needed to determine a winner.

1. Head to head result
2. Net goal differential, maximum of four (4) goals per game
3. Most goals scored, maximum of four (4) goals per game
4. Least goals allowed, no maximum
5. Penalty kicks in accordance with FIFA "Taking of Kicks from the Penalty Mark."

The tournament reserves the right to adjust pairings of the first elimination round so teams will not play teams already played.

If more than two (2) teams are tied at the conclusion of group play are involved in a tie, tie breaker number 2 will be used first to rank the teams. If teams are still tied, tie breaker number 3 will be used to rank the teams, and so on until a tie is broken.

Net Goal Differential (+/-4) examples:

1. Team A plays two games with the results being a win from the first game: 7 to 2; and a tie in the second game: 1 to 1; thus the net goal differential is +4. Team B is tied with Team A also with 4 points from playing two games. The result of the first game is a 3 to 3 tie with team A; the second is a 6 to 1 win: thus the maximum allowable net goal differential for Team B is +4. Both teams are still tied. The next tie breaker is most goals scored (max of 4). In this example, Team A scored 5 goals and Team B scored 7 goals. Team B wins the group.

2. Team A plays two games with the results being a win from the first game: 3-1; and a win in the second game: 5-2; thus the net goal differential is +5. Team B plays two games with results being a win from the first game: 6-1; and a loss in the second game: 0-1; thus the net goal differential is +4. Team A wins the group.

Wild Card System: If a division uses a wild card to determine the 4th team to qualify for the semifinals, the team pairings will be as follows:

- a) Winner A vs. Winner C, and Winner B vs. Wild Card
- b) EXCEPTION: If the wild card team is from Group B, the team pairings will be as follows:
- c) Winner A vs. Winner B and Winner C vs. Wild Card
- d) To determine wild card teams selected from groups of different sizes, comparisons will be made using averages. That is, dividing game points, net goal differentials, and least goals allowed by the number of games played within each group.

FORFEITS

A team is allowed a fifteen (15) minute grace period from the scheduled time before awarding the game to the opposing team. A minimum of eligible players (7 for 11v11, 5 for 9v9, and 4 for 7v7) must be present, dressed and ready to play within the grace period, to constitute a “team”. The game will be scored as 3-0. In the event that the scheduled time is revised from the printed schedule, coaches/managers will be notified by phone or in person by a Tournament Official of the new game time.

In no case shall a team which forfeits a game be declared a division winner or wild card team. The team with the next best record will advance.

PROTEST AND DISPUTES

There will be NO PROTESTS. Decisions by referees may not be appealed. All disputes will be resolved immediately by the Site Director. These decisions will be final.

EXTERNAL CONDITIONS, WEATHER, ETC.

In the event unusual conditions necessitate the rescheduling, curtailment, or cancellation of games, the Tournament Committee shall have the absolute authority to make changes in order to best serve the completion of the tournament.

In case of inclement weather or field conditions, games may:

- Be shortened – The Tournament Director may reduce the length of matches due to weather conditions or approaching weather conditions before the start of the match; all such matches will be considered official.
- Be shortened – The Tournament Director may reduce the length of halves due to weather conditions before the restart of a match once delayed due to weather; all such matches will be considered official.
- Be canceled – The Tournament Committee has the right to cancel any match that has no bearing on the scoring and progression of tournament play.

- Go to “Taking of Kicks from the Penalty Mark.” (time and location determined by the Tournament Director)

If the Tournament Director rules that during the preliminary round “Taking of Kicks from the Penalty Mark” will be done due to inclement weather or field conditions, the following will apply:

- Each team will take a maximum of five (5) penalty kicks.
- At the end of the five (5) kicks the game will be scored as a 1-0 win for the team that has scored more penalty kicks, or as a 0-0 tie if both teams are tied in penalty kicks at the end of the five (5) kicks.
- In the overall standings, 3 points will be given for the win, 1 point for a tie and 0 points for a loss
- The result can be used as a tie breaker for advancement
- If regular games have been played in the bracket and the Tournament Director has determined the other games go to penalty kicks due to inclement weather or field conditions, the regular game score will revert back to a 1-0 win or a 0-0 tie.

Only referees or site managers can suspend a match already started due to weather conditions. Duration of any suspension will be determined by the Tournament Director.

In case of extreme weather (heat/humidity), a break will be given at the midpoint of each half of regulation time and at the end of each overtime period (if played) for player hydration. This break will be given at a normal stoppage of play and it is mandatory for any FYSA sanctioned match during which the air temperature is or is expected to reach eighty-five (85) degrees.

TERMINATED GAMES

Pool play matches - In the event a referee terminates a match (different from temporarily suspending), before half time, it will be up to the Tournament Committee whether to record the score at the time of the termination or finish the game at a rescheduled time and location.

In the event a referee terminates, or abandons a match (different from temporarily suspending) after half time the score will be recorded, as it was when the game was stopped and declared official.

Final matches – In the event, a referee terminates, or abandons a final match (different from temporarily suspending) after half time while the teams are tied, co-champions will be declared. Both teams shall receive Championship Trophies. If one team is ahead after half time, that team will be declared the champion.

Games terminated, or abandoned for other than inclement weather, i.e. violent or uncontrollable situations will not be replayed.

The decision as to the score of such games and whether teams advance will be made by the Tournament Discipline Committee after receiving reports from the game officials. The decision of the Committee will be final and is binding on all parties. Further disciplinary actions may be taken.

The Tournament Discipline Committee will make the final decision on all disputes regarding the suspension, termination and resumption of play in the best interest of the tournament and all participants.

Following the completion of the championship game, the two (2) teams shall present themselves at the awards tent where:
